DRONES WORKSHOPS For Farmers

Drones Workshop for Farmers - January 30th

On January 30th from 4pm to 7pm here at the Extension office there will be a Drone Workshop focused primarily on how drones can be used in agricultural practices. Farmers participating can expect to learn:

- How to fly a drone through real, hands-on experience
- How drones are used in different agricultural applications
- The different types of drones
- Laws & federal regulations for drone use.

RSVP by January 24th at 5:00 p.m.

UT Senior Bull Test Sale

If you're looking for a bull for 2020, here's an option for you. The annual UT Senior Bull Test is January 10th. You can attend the sale in person at MTREC in Spring Hill, TN or bid

via tele-video at the TCA Convention in Murfreesboro. The catalog of proven and tested bulls along with more information on the sale and program can be found at the link below:

TN Agricultural Exemption Sales and Use Tax | tn.gov/revenue

Agricultural Tax Exemption

"Every fourth year, the Department of Revenue reissues agricultural certificates of exemption to all current exemption holders. **Renewed certificates are mailed during the latter part of December before the end of the certificate's expiration date** (certificates for the current period expire December 31, 2019). New certificates have an effective date of January 1 of the following year, and they will expire on December 31 four years later.

No action is needed on behalf of current exemption holders, unless you have changed your address, or you no longer meets the requirements for exemption." If you have any questions, contact the Department of Revenue at 615-253-0600.

- Merry Christmas -

*The Extension Office will be closed
from December 23rd - 27th*
