

“Tennessee Master Beef Producer Program” ... again!

Last evening at Faith Angus Farms, we had our 7th of 11 sessions of the recently renamed ‘TN Master Beef Producer Program’. Larry Moorehead (pictured above) brought his down to earth approach to hay storage and life experiences in agriculture to a small, but sharp-mind group of producers from Marion & Sequatchie County. If you’d like to attend any of the remaining 3 sessions, give me shout. The program schedule can be found on our website at the link below:
