

6th-7th-8th Grade 4-H Interactive Exhibit

Stop, Read and Remember!

A good exhibit has to attract attention, focus attention on a central idea, and sell the person on the idea that you are trying to present.

What competitions can I enter my exhibit in?

6th - 7th - 8th Grade 4-H members:

March - Display Exhibit at Local Club Meeting

April - Compete in the County Interactive Exhibit Contest

May - Winners advance to compete at the Central Region Project Fair

Rules to Follow!

- Each exhibitor will be given 1/2 of a six foot table for the exhibit. Free standing exhibit boards or posters should be used. Space from the table to the floor may be used. Items may be displayed on the table.
- The 4-H members will be expected to explain their exhibit in 1-2 minutes. The judge will have 2-3 minutes to ask questions.
- Make sure the exhibit has a title and include the word 4-H or the clover somewhere on the exhibit.
- The exhibit needs to be related to the project material for that level.

Show off your 4-H Project work by creating an exhibit in one of the following 4-H Projects:

Beef, Citizenship, Clothing and Textiles, Communications/Public Speaking, Companion Animals (cat, dog, rabbit etc.), Computers and Technology, Consumer Education/Economics, Dairy, Electric, Engineering/Safety Science, Entomology, Environmental Science/Conservation, Food Science, Forestry, Wildlife and Fisheries, Goat, Horse, Horticulture/Garden, Leadership/Personal Development, Line and Design, Nutrition/Health/Fitness, Performing Arts/Recreation/ Photography, Plant Science, Poultry, Sheep, Swine and Veterinary Science.
